DATE 8/20/21

SUBJECT

Demage

PERMIT NO. 59349

ADDRESS

1245 University Ave Riverside

DISTRICT 6

INSPECTOR

B. Brown

REMARKS:

Re: Closure due to Fire in Facility

This v.s. is due to Fire in walk-in refrigerator of facility. Alert system was activated and facility has been contaminated by smoke + fire suppression chemicals. "Immediate Closure" paperwork has been issued and environmental health permit has been suspended.

All Food (excluding food in walk-in freezer) in this ~~rest~~ facility is hereby condemned and is to be discarded. This is a blanket statement and covers everything from food as cookline to sugar packets on the table. There is no way to delineate where the smoke or chemical stopped. All single service utensils (ie "to-go" containers, cups, etc) are also to be discarded. ~~per~~

All equipment, utensils (multi-use), surfaces (including floor walls + ceiling) must be cleaned thoroughly. All food utensils, equipment and contact surfaces must be properly sanitized or discarded.
