Inspector Observations:

Overall Inspection Comments

A complaint (CO0080048) investigation was conducted in regards to a complaint received alleging a rodent infestation. At time of investigation rodent droppings were observed below cushions of seating booths at dining area but no rodents or evidence of rodents were observed in food preparation or storage areas. An accumulation of traps were observed throughout facility but no rodents on the traps.

At time of investigation observed hot water temperature measured at 80F throughout facility. Employee stated the facility had been without hot water for a couple days and were boiling water for warewashing and other uses throughout the facility. Provide hot water of at least 120F throughout facility. This facility is closed due to no hot water provided throughout the facility. "Facility Closed" sign posted. "Facility Closed" sign must remain posted until removed by an employee of this Department. Contact Shakeya Rhodes to schedule an appointment for re-opening or with any questions at (760) 320-1048.
