The conditions listed below correspond to violations of the California Health and Safety Code and/or Riverside County Ordinances and must be corrected as indicated by the enforcement officer. The Department of Environmental Health appreciates your cooperation.

Failure to correct listed violation(s) prior to the designated compliance date may necessitate an additional reinspection at a charge determined by Riverside County Ordinance 640.

1 1 1

1

OUT = Out of compliance

Major / Minor Violations: Major Violations are those that pose an imminent risk to public health and warrant immediate closure of the food facility or immediate correction. Minor Violations are those violations that do not pose an imminent public health risk, but do warrant correction. GRADE REPRESENTS THE FOLLOWING RANGES: A = 100-90 Passed inspection / meets minimum health standards. B = 89-80 Did not pass inspection /

COS = Corrected on-site

does not meet minimum health standards. C = 79-0 Failed inspection / conditions exist which may pose a potential or actual threat to public health and safety. The facility is required to display a grade card in a conspicuous place selected by the Enforcement Officer. The grade card shall not be concealed and can only be removed or relocated by the Enforcement Officer per County Ordinance 492 / County Code Section 8.40.020

PERMIT #

23. NO RODENTS, INSECTS, BIRDS, OR ANIMALS

Inspector Comments: Observed rodent droppings throughout the facility along the floor/wall junction, including near the warewash sink, the self-service soda machine, behind the bread proofers, under the register, in the dry storage area, and near the mop sink. Ensure floors throughout the entire facility are cleaned in an approved manner. A reinspection has been scheduled for 24 hours to ensure no fresh droppings are present after clean up. Manager stated that Terminix will be back to service the facility this evening. Ensure invoice will be available at the reinspection.

Note: Previos Terminix invoice was reviewed at the time of inspection. 10 rodent traps were placed in the facility on 5/22/2020, and according to the person in charge, 4 of those traps caught mice on 5/24/2020. No evidence of entry points was observed at this time.

Violation Description: Each food facility shall be kept free of vermin. Only approved animals, such as service animals or decorative fish in aquariums, are permitted inside a food facility. (114259.1, 114259.4, 114259.5)

27. APPROVED THAWING METHODS USED, FROZEN FOOD STORAGE

Inspector Comments: Observed packages of frozen, sliced meat thawing on top of the prep sink. Discontinue this practice as it is not an approved method of thawing. PIC immediately placed the meat under running water to thaw properly.

Violation Description: Food shall be thawed in an approved manner: under refrigeration, completely submerged under cool running water of sufficient velocity to flush loose particles, in microwave oven, during the cooking process. (114018, 114020)

36. EQUIPMENT / UTENSILS PROPERLY INSTALLED, CLEAN; ADEQUATE CAPACITY

Inspector Comments: Observed rust and mold growth on the ice deflector shield. Ensure ice deflector shield is properly cleaned and sanitized.

Violation Description: All utensils and equipment shall be clean and installed in an approved manner. Equipment type and quantity shall be adequate for the operation.(114115, 114130.3, 114139, 114153, 114163, 114165, 114167, 114169, 114175, 114180, 114182, 114257)

41. PLUMBING: PROPERLY INSTALLED, GOOD REPAIR

Inspector Comments: Observed the floor drains to the 3 compartment sink and self-service soda machine resting inside the floor drain. An air gap between the water supply inlet and the flood level rim of the floor sink shall be at least twice the diameter of the water supply inlet and may not be less than one inch. Ensure there is a proper air gap between the top of the floor sink and the bottom of the drain. This is a repeated violation.

Violation Description: All plumbing shall be installed in compliance with local plumbing ordinances, shall be maintained so as to prevent any contamination, and shall be kept clean, fully operative, and in good repair. All food-related equipment drain lines must discharge through an approved indirect connection. Any hose used for conveying potable water shall be made from approved material and used for no other purpose. (114171, 114189.1, 114190, 114192(b,c), 114193, 114193.1, 114199, 114201, 114269)

44. PREMISES; PERSONAL ITEM STORAGE AND CLEANING ITEM STORAGE

Inspector Comments: Observed personal drink without lid stored on top of the microwave. All personal drinks are to be maintained covered and stored in a manner to prevent contamination. Store all personal items in lockers or other approved designated area.

Violation Description: Lockers or another approved area for personal belongings shall be provided. The premises of each food facility shall be kept clean and free of litter and items that are unnecessary to the operation or maintenance of the facility. At least one janitorial sink with hot and cold running water shall be provided. Cleaning supplies and equipment shall be stored separate from food and food-related areas. Mops shall be stored in such a way that allows air-drying. (114123, 114256, 114256.1, 114256.2, 114256.4, 114257.1, 114279, 114281, 114282)

45. FLOORS, WALLS, CEILING: GOOD REPAIR / FULLY ENCLOSED

Inspector Comments: Observed cove tiles separated from the wall in the following areas: Near the front handwash sink, near the bread oven, in the back storage area, and around the walk-in coolers. Properly seal cove tiles to the wall. This is a repeat violation.

Violation Description: The floors, walls, ceilings finishes must be of an approved material, durable, smooth, nonabsorbent, and easily cleanable. Food facilities shall be fully enclosed. (114143 (d), 114257, 114266, 114268, 114271, 114272)

Overall Inspection Comments

This routine inspection was conducted with a complaint investigation (CO0073839).

A reinspection will be conducted tomorrow, 5/27/2020, to verify cleaning due to rodent droppings. See above for further details.

Did you know that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 171425 of the Civil Code and Sections 114432 to 114434 inclusive of the Health and Safety Code. For more information visit our website at www.rivcoeh.org.
