### **Overall Inspection Comments**

This visit is tor re-inspect the facility, previously scoring an 81. Facility has passed their re-inspection and corrected all violations listed on the 8-29-18 report. "B" card removed "A" card posted. Continue to ensure compliance with all California Health and Safety Codes.

**Did you know** that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 171425 of the Civil Code and Sections 114432 to 114434 inclusive of the Health and Safety Code. For more information visit our website at www.rivcoeh.org.
