INSPECTION REPORT

FACILITY NAME Le Poke-OOB					DATE 3/11/2021	TIME IN 1:45 PM	TIME OUT 2:30 PM
LOCATION 27315 Jefferson Ave Ste. K, Temecula, CA 92590						RE-INSPECTION DATE 12/16/2021	
PERMIT HOLDER Team Star Group Inc					E-MAIL lepokejefferson@gmail.com		
PERMIT # PR0007034	EXPIRATION DATE: 01/31/2023	SERVICE Facility closure	FACILITY PHONE #: (951)719-3400	PE 2620	DISTRICT 0046	INSPECTOR NAME Kristen Burnham	

Inspector Observations:

21. HOT AND COLD WATER AVAILABLE

Violation Description: An adequate, protected, pressurized, potable supply of hot water and cold water shall be provided at all times. Hot water of at least 120°F must be provided for facilities with unpackaged food or packaged potentially hazardous food. Handwashing facilities shall be equipped to provide warm water for at least 15 seconds. (113953(c), 114189, 114192 (a,d), 114192.1, 114195)

Overall Inspection Comments

During the response to complaint CO0078205, the facility was observed to be without hot water. The maximum temperature at the 3- compartment sink was 67 °F. The facility was closed and a closure sign was posted.

Staff were directed to immediately cease any further food preparation or utensil washing activities.

Based on the number and types of plumbing fixtures in the facility, a water heater with a minimum 41,050 BTU rating must be installed. If a water heater with a lower rating than 41,050 BTU is installed, then it will require replacement with a new one. Please ensure the new water heater meets the minimum requirement.

Take a picture of the plate/label on the new water heater showing the BTU rating. The water heater location is above a mop sump and is not readily accessible by the inspector. This picture along with a copy of the receipt/invoice must be provided to the inspector.

The facility must remain closed until an inspector verifies that hot water is present and that the new water heater has the proper rating (strength). Email inspector when the installation is complete to schedule a reinspection.
