Inspector Observations:

21. HOT AND COLD WATER AVAILABLE

Violation Description: An adequate, protected, pressurized, potable supply of hot water and cold water shall be provided at all times. Hot water of at least 120°F must be provided for facilities with unpackaged food or packaged potentially hazardous food. Handwashing facilities shall be equipped to provide warm water for at least 15 seconds. (113953(c), 114189, 114192 (a,d), 114192.1, 114195)

Violation Comments: Attempted routine inspection conducted by P. Sinclair. Facility observed to have no hot water available at any sinks inside facility. Observed the maximum hot water temperature available from the 3-compartment, preparation and hand sinks to be 82.7F. This is a MAJOR violation. Person in charge, Sandra Vergara, not aware of the problem and stated that hot water was available inside facility this morning. A plumber was contacted immediately for repairs to be made, but not present during attempted inspection. Facility is hereby ordered CLOSED and cannot be re-opened until a member of this Department confirms that hot water has been restored to entire facility. All food that has been prepped during the time frame in which no hot water has been available shall be discarded. Facility closed sign posted on front door. Removal of the sign will result in citation and/or hearing. Contact Philip Sinclair at (951) 461-0284 for any questions.
