Inspector Observations:

23. NO RODENTS, INSECTS, BIRDS, OR ANIMALS

Violation Description: Each food facility shall be kept free of vermin. Only approved animals, such as service animals or decorative fish in aquariums, are permitted inside a food facility. (114259.1, 114259.4, 114259.5)

Inspector Comments: A routine inspection was attempted this date. Upon arrival, live german cockroaches (too numerous to count) of varying life stages were observed throughout the facility (prep line, cooks line, warewash area, dry storage, janitorial area, etc.) as well as extensive numbers of dead german cockroaches on the floor as well as on and in equipment throughout the facility. Extensive buildup and old food debris were observed on the flooring, shelving, and equipment throughout the facility. Gaps and crevices were observed along equipment (i.e. hood) and along the base coving throughout the facility. Ensure pest control services the facility. All evidence of vermin activity must be removed and the affected areas thoroughly washed, rinsed, and sanitized. Once the infestation has been eradicated and all areas cleaned, contact this department at (951)273-9140 to schedule a reinspection. *NOTE: The Department "Facility Closed" sign was posted. Ensure the sign remains posted and the facility remains closed until a representative of this department verifies the facility meets health standards and can be reopened.
