Inspector Observations:

21. HOT AND COLD WATER AVAILABLE

Violation Description: An adequate, protected, pressurized, potable supply of hot water and cold water shall be provided at all times. Hot water of at least 120°F must be provided for facilities with unpackaged food or packaged potentially hazardous food. Handwashing facilities shall be equipped to provide warm water for at least 15 seconds. (113953(c), 114189, 114192 (a,d), 114192.1, 114195)

Inspector Comments: Attempted routine inspection conducted by J. Marcotte and P. Sinclair. Facility observed to have no hot water available at any sinks inside facility. This is a MAJOR violation. Manager, Breanna Hawkins, aware of the problem and stated that a plumber had been contacted, but not fixed the problem as of yet. Facility is hereby ordered closed and cannot be re-opened until a member of this Department confirms that hot water has been restored to entire facility. All food that has been prepped during the time frame in which no hot water has been available shall be discarded. Facility closed sign posted on front door. Removal of the sign will result in citation and/or hearing. Contact Philip Sinclair at (951) 461-0284 for any questions.
