## **Overall Inspection Comments**

This re-inspection was conducted at operator request due to closure and downgrade on 08/01/19. At this time, all violations from the previous inspection report have been corrected, except for the two listed above. The remaining violations will be reviewed on the next routine inspection. The Public Health Permit is reinstated and the facility is allowed to operate. B placard removed, A placard posted.

**Did you know** that effective January 1, 2018, the California Health and Safety Code was amended to make it easier for food facilities to donate food? Please consider donating your excess food product to a local food bank, pantry, or soup kitchen. As a good faith food donor, you are protected from civil and criminal liability if the food product later causes harm to its recipient, unless the injury is a direct result of gross negligence or intentional misconduct in the preparation or handling of the donated food. See Section 171425 of the Civil Code and Sections 114432 to 114434 inclusive of the Health and Safety Code. For more information visit our website at www.rivcoeh.org.
